

This Is National Be Kind To Tape Supervisors Week

- Let him know the VTR is broken *at least* 5 minutes before air time.
- Please overlook his roars and grumbles.
- Agree with him that he is overworked and underpaid.
- Let him know there was only 27 minutes on that 30 minute reel.
- Don't hide his schedule board.
- Look the other way when you see him miss the audio stack.
- Do not start taping until his necktie is clear of all moving parts.
